It's a little light here and I think we'll need you in the office a least a little of the time. Plus, there's some Bristol Bay followup this week I'd like you to be involved in.

Thanks

Hey Chris -

Picked up my copy of the Tome (synthesis) yesterday and am into it. I'd like to read from home this morning, if that's OK with you. No meetings today except a couple conference calls and Donna's away w/ the rest of the lawyers. Are there any fires burning that I should know about? I'd like to do the same tomorrow and Thursday morning or afternoon as well if I need it. Available by phone, of course, though I'm going to close up my computer while I read, and just check it at lunch or something.

That OK with you?

- R
